How does 20p a day turn your micro into a MAINFRAME?

The answer is Micronet.
The network that
links your computer by
modem to the most exciting
interactive database in the U.K.

All for 20p a day subscrip-
tion and the price of a local,
cheap rate telephone call.*

So what does Micronet
offer that has excited 20,000
people to join.

Well, for a start Micronet is
an excellent way to keep
up-to-date with the very latest
information in computing.
Our database is continually
updated by our team of
professional journalists who
search out the stories behind
the news.

But Micronet is much more
than a news service - our
revolutionary mainframe
Chatlines give you the power
to hold real-time conversations
with up to 20,000 other users,
instantly.

Our free national electronic
mail system allows you to
send and receive confidential
mail to friends and businesses
24 hours a day.

You can even take part in
the latest multi-user strategy
games. Starnet for example,

allows you to compete against
hundreds of other "Star
Captains" for domination of
the galaxy.

Or win big weekly cash
prizes by competing in the
'Round Britain Race' which
makes use of the latest
viewdata technology to
challenge you to find secret
locations.

Every day new *free* and
discounted software is made
available for downloading
direct to your micro.

Teleshopping is the ultimate
way to seek out high street
bargains... or holiday and
hotel bookings... computer
dating... rail and airline
information... Jobsearch...
homestudy and schooling...
ideas, information and

entertainment facilities too
numerous to list. As if all this
wasn't enough you can also
access Prestel's™ enormous
database which is included in
your subscription.

Micronet: the stimulating,
challenging and informative
way to add a whole new
dimension to your micro. All
you need is a modem. So cut
the coupon today for your
information pack.

For just 20p** a day can you
afford to be left out in the
power game?
