PROBLEMS OF PEACE AND SOCIALISM

V.I. LENIN ON DEMOCRACY

"If we are not to mock at common sense and history, it is obvious that we cannot speak of "pure democracy" as long as different classes exist, we can only speak of class democracy....."

"Pure democracy is the mendacious phrase of a liberal who wants to fool the workers. History knows of bourgeois democracy which takes the place of feudalism, and of proletarian democracy which takes the place of bourgeois democracy".

V. I. Lenin

"The Proletarian Revolution and the Renegade Kautsky"
