*'This is  
the most  
beautiful  
land the  
human eye  
has ever seen,'  
said Christopher  
Columbus as his  
caravelle  
approached  
Cuba. Now,  
five centuries later,  
there are no more  
caravelles. But you  
can discover the  
most beautiful land  
aboard a modern  
Cubana airliner...*

like one of the family*
